

## YOUR TAJWEED MADE EASY

A step by step guide to basic Tajweed rules

### LESSON 1 FULL MOUTH LETTERS

These 7 letters will always be read with a full mouth in all states

خ ص ض ط ظ غ ق

Note: If the letter (ج) has a fatha (zabar) or dhamma (pesh) then it will be read full mouth.

يَخْرُجُ	خُلِقَ	أَخِرَ	خَالِدِينَ	خ
أَصْبَحَتْ	صُحِفَ	صِرَاطَ	صَلَوَةٍ	ص
فُضِّلَ	ضُرِبَ	رَضِيَ	ضَرَبَ	ض
بَطَّشَ	طُورِ	عُطِّلَتْ	طَالِبِ	ط
أَظْلَمَ	ظُلِمَاتِ	يُعْظِمُ	ظَالِمِ	ظ
يَغْفِرُ	عُفِرَ	غَدِرَ	غَالِبِ	غ
أَقْوَمُ	قُتِلَتْ	بَقِيَ	خَلَقَ	ق

Remember that even though a kasra (zer) comes underneath any full mouth letter that doesn't mean that it won't be read full mouth. (Alif will be read full mouth if it is after a full mouth letter).

The quality of the full mouth will only remain on the full mouth letter, be careful that the letter before or after the full mouth letter is not pronounced full mouth.

These letters are known as Huroof Tafkheem (full mouth letters).
