

## YOUR TAJWEED MADE EASY

A step by step guide to basic Tajweed rules

### LESSON 14 SIGNS OF STOPPING (WAQF)

In the Quran many times you come across little versions of the alphabet letters in between a verse. In this lesson we will learn what to do when you see a certain letter or a certain sign.

If you see a small version of these letters or signs then it means you stop

ط م قف

If you see a small version of these letters or signs then you have an option to stop or to carry on

ص صل صلے ز ق ج

If you see any of these in the Quran then you should pause without breaking the breath. (only certain places in the Quran, not all)

س سكتة وقفة

If you see this sign do not stop

لا

The circle tells us it is the end of a verse

قُلْ هُوَ اللَّهُ أَحَدٌ ○

Look at the 2 sets of signs circled in the example to the right. Whenever you will see this in the Quran there will be a set of 2. Stop at either one of the points and not both.

لَا رَيْبَ فِيهِ ۚ

You will read either:

1- لَا رَيْبَ فِيهِ

2- لَا رَيْبَ فِيهِ

These are the basic symbols that you will come across in the Quran and what to do when you actually come across any of them.

Remember it is important that this is studied with a qualified teacher who can explain in more detail if the need arises.
